

Clock Tower Hall Lottery

Residence Life Office

Description

Clock Tower Hall is located between Pauley and Rorem Halls, and Harlan House. Clock Tower Hall houses 96 students in four-person suites. Each suite has a bathroom, two single bedrooms and one double-bedroom. It is air-conditioned and features an attractive lobby, small kitchens and lounges on each floor, a large community space with a sizeable kitchen on the ground level, and great use of natural light. The building will be L-shaped with a brick exterior and pitched roof. The college provides furniture in each bedroom, living room, and the common areas in Clock Tower Hall.

It is a requirement that all students living in the residence halls participate in the full board plan (14 or 20 meals per week). This includes those students chosen to live in Clock Tower Hall. **** Please note: single room rates will be the same as all other single rooms on campus.**

Eligibility

All students returning to Cornell in the fall are eligible to sign up for housing in Clock Tower Hall. Suite style living offers a more independent living option for students and requires a high level of maturity. Therefore, the College does not make this option available to students whose disciplinary records indicate they are not ready for this living option. Generally, this means no conduct violations for the past year.

Selection Process

Each group of four people (males, females, or co-ed with single sex rooms) must complete the information below. Suites will be granted to the groups with the highest total number of points (based on projected academic class standing at the end of Term Nine: 3 points for each senior, 2 points for each junior, and 1 point for each sophomore). Each group will draw a number in case there is a tie for points (lowest number is best). The groups who will be living in the suites next year will be notified by e-mail. **Clock Tower room placement will be held at 11am on Monday, April 13th in Shaw Lounge. Placement will be according to group points and draw number.**
