Submission of this form represents the undersigned student's agreement to enroll in a payment plan for rent payments for the summer housing period of 2024. Payment dates represent rent paid upfront for that month. Full summer dates and amounts are predetermined below. The variable date option is available for students staying less than the entire summer (charges will still be calculated weekly).

Students staying into July or August will have their rate broken into three payments, with one-third the total due May 1st, one-third due June 1st and one-third due July 1st. Any additional charges will be due on the date of final payment.
